## EDUCATION AND RECREATION IN SUMMER SCHOOL

Education and recreation, with an opportunity to make up work or prepare for next year's undertaking, will be combined in the vacation school for boys which opens July 6 under the auspices of the local Young Men's Christian Association, and which will continue until August 14. It is going to be a summer opportunity for boys who are attending school, and already a large number have enrolled for the course.

The classes will include sixth, seventh and eighth grade work in arithmetic and English, and the instructors will be R. M. Cross and Glenn E. Jackson of the association staff, and John Stone of the Mills school faculty. There will be classes five days a

week for six weeks the hours being from 8:30 until 11:30 o'clock in the morning. Three days during each week games will be held from 11:30 until 12:30 o'clock.

In addition to the course mentioned, a special class in typewriting will be held during the noon hour for all those wishing to enroll. Regarding fees, \$4.50 will be charged each student for the six weeks' term of the school. Non-members will be required to pay \$1.50 additional for a three-months' membership in the boys' department of the association. Registration may be made at the office of the association.

The social work committee of the Young Men's Christian Association held its second meeting in the association building yesterday afternoon. Chairman C. B. Gage and five members were present. It was decided to prepare a newspaper article to present to various papers on the mainland, Australia and various islands of the Hawaiian group, calling attention to the fact that the Honolulu association is now making a special effort to assist newcomers to this city, and that a special secretary is handling this new feature of work.

## THAYER TO PAY TWO-WEEK VISIT TO BIG ISLAND

On a combined business and pleasure trip, W. W. Thayer, secretary of the territory, will leave for Hawaii tomorrow, and remain on that island for two weeks.

His first business will be an attempt to settle the widening of Front street, Hilo, problem, which he believes he has in a shape now that will be agreeable to the board of supervisors of that island. He has reached a compromise with the owners of the desired property, by which it may be turned over to the county without condemnation suit or other delay.

When the board of supervisors of Hawaii meet Wednesday, he will present his agreement before it and request that action be taken on it.

His second item of business concerns the occupation of 65 prisoners who have been engaged on the now completed Kaa road. These prisoners have been working on the 10-mile road under an agreement with the territory, by the county, the former furnishing the supplies, the latter the guards. It is now planned to put these men at work on the crater road as it is in a condition very much needing repair.

But before this work is undertaken Secretary Thayer wishes to see the road and estimate the amount of time and material it will take to put it in shape.

Secretary Thayer will be accompanied on this business-vacation trip by his wife. They will return via Mauna Loa and Waimea.

## N. F. HAMMER IS ROBBED BY PAIR OF HIGHWAYMEN

Throw up your hands, or you are as good as a dead man, was the unexpected greeting that confronted N. F. Hammer at 11 o'clock last night soon after he alighted from a Numa street car and was proceeding along Judd street toward his home.

Hammer was brought to face two men who this morning he declared were negroes, one wearing the complete uniform of an enlisted man in the United States army.

The men were armed with revolvers which were flourished and pointed at Hammer while the smaller of the pair proceeded to search Hammer's clothing for valuables.

The holdup took about 15 minutes' time during which the footpads secured a purse containing \$47.50.

Keeping the guns leveled at their victim, the bandits backed away to some distance and were seen to mount a motorcycle.

Hammer immediately got into communication with Captain of Detectives McEluffe. Officers were dispatched to points about the city while those proceeding to and from the military posts were watched.

Walter Johnson, a colored soldier, was placed under arrest at midnight, having been found in an automobile and alleged to have acted in a manner that created suspicion in the minds of the police. Investigation that followed this morning resulted in the release of Johnson.

## ANOTHER MOTION TO QUASH GRAND JURY FINDING

On the grounds that the grand jury was "incompetent" and "illegally constituted," a motion to quash the indictment returned by that body against Mariano Ensena, a Filipino, charging him with being implicated in the robbery of a postoffice in Hamakua, Hawaii, will be filed in the office of the chief clerk of the federal court Monday morning. This statement was made this morning by Attorney L. Andrews, counsel for the defense.

The grand jury in question is the body which returned the indictment against United States District Attorney Jeff McCann. A motion to quash the indictment in this case was rejected by the court. A lengthy list of arguments as to why the indictment should be quashed was presented by the attorneys for the district attorney. The principal arguments were that the grand jury was "incompetent" and "illegally constituted," and amendment to the same was to the effect that Grand Juror Warham, having officiated at prize fights in the capacity of announcer, should have been disqualified.

Of the nine indictments returned by that grand jury, the motion to quash the one against Mariano Ensena is the first action to be taken by counsel along the same lines as that adopted by the attorneys for McCann. Attorney Andrews stated that he is using a good deal of material in the McCann motion to quash which he will introduce in behalf of his client Monday. Gregorio Laceruz, alleged to have been an accomplice in the robbery, plead guilty to the charge and was sentenced. Ensena pleaded not guilty and Attorney Andrews was appointed by the court to defend him. Attorney for the defense will request the court to allow Ensena to withdraw his plea of not guilty.
